## "Understanding Stressors in Group Holiday Experiences: An Affinity Diagram Analysis"

Cluster 1: Planning and Coordination

"It's always a struggle to find a date that works for everyone."

"We had fights over where to eat; it ruined the vibe." "Everyone has different preferences for activities."

Cluster 2: Group Decision-Making

"Coordinating schedules was so stressful, I almost canceled the trip."

"The planning was exhausting because of clashing schedules."

"We argued over where to go and what to do."

"The group had disagreements on every activity."

Cluster 3: Budget and Expenses

Cluster 4: Dealing with Unexpected Changes

"Managing costs was the hardest part of the trip." "The budget was an issue, especially with varying incomes."

"Last-minute hotel cancellations made the trip chaotic."

"A surprise storm changed all of our plans."

"There was tension when some people didn't want to spend money." "I wish we had a better system for managing the budget."

"We missed an entire day due to a canceled flight."
